BBQ POD SPAIN

The best moments. In your garden.

Outdoor kitchens for cooking, entertaining and enjoying home.

Discover your BBQ Pod

TAKE HOME LIFE OUTDOORS

Open your pod.
Make the moment last.

Everything to hand.
Everyone together.

Prep, cook and serve without leaving the conversation. Cooking, refrigeration, water and storage come together in an outdoor kitchen that feels part of your home.

OPEN UP AND ENJOY

Motorised opening and integrated lighting transform the space from day to night.

CLOSE UP AND PROTECT

A design that shelters the interior when the evening comes to an end.

Stainless steel

A structure and cabinetry that combine style and practicality.

Made for you

Colours, materials and options to make it your own.

Here to help

A showroom in Málaga and support to plan your project.

FIND YOURS

Six models.
Your way to enjoy.

Start with the width you have available and how you like to cook. Then choose the finishes and equipment that suit you.

MODEL	WIDTH	GAS · BASE	FROM · INCL. VAT
HORIZON 220 Compact low profile	2,210 mm	**30″**	**€11,400**
CORE Compact complete kitchen	2,210 mm	**30″**	**€11,900**
PRIME Balance and versatility	2,690 mm	**30″**	**€14,900**
HORIZON 270 Low profile, extra width	2,690 mm	**30″**	**€13,400**
APEX More cooking space	3,500 mm	**36″**	**€17,900**
PINNACLE Largest width and grill	3,760 mm	**46″**	**€18,900**

Full height or low profile?

Core, Prime, Apex and Pinnacle: a full-height kitchen that makes a statement in your outdoor space.

Horizon: 1,179 mm high when closed, for a more understated presence.

Grill sizes and prices refer to the base gas configuration. Other cooking options and logistics are quoted separately. Dimensions refer to the unit; allow space for opening.

ALL THE ESSENTIALS. BEAUTIFULLY DONE.

This is how great moments begin.

Rotisserie included as standard.

With every one of our gas barbecues.

SO MUCH MORE THAN COLOUR

Cook your way.

Gas, charcoal, kamado or a gas hob. We design your cooking area around what you love to prepare.

01 Gas or charcoal barbecue

Choose your preferred type of barbecue. The model pages in this collection show the base gas configuration.

02 Barbecue + kamado

On Apex and Pinnacle, you can combine a gas or charcoal barbecue with a kamado.

03 Four-burner gas hob

Add a four-burner hob, with or without a barbecue, and expand your outdoor cooking possibilities.

Layout, compatibility and final price depend on your chosen model and equipment.

ACCESSORIES BUNDLE

More possibilities. More usable space.

+€350

THE COMPLETE BUNDLE

Charcoal insert trays
Cook with charcoal in compatible gas barbecues.

Plancha
Another way to cook your favourite recipes on the barbecue.

Sink cover
Cover the sink to extend your worktop space.

MAKE IT YOUR OWN

Your space.
Your style. Your BBQ Pod.

Combine structure, cabinets and worktop. From subtle tones to distinctive finishes, every choice shapes the way you enjoy your kitchen.

WITH YOU AT EVERY STEP

From an idea to your garden.

Start with a few photos of your space. We help you choose the model, finishes and delivery arrangements.

MADE TO ORDER · ESTIMATED LEAD TIME: 14-16 WEEKS

01

Show us your space

Send photos, approximate measurements and your location. Include access details so we can assess delivery and positioning.

02

We design your configuration

Together, we choose the model, finishes and equipment. We provide technical drawings of your configuration and confirm the quotation and lead time before you order.

03

We prepare for delivery

We review the base, access and required connections. Your pod arrives assembled and is positioned in its designated place.

04

Time to enjoy

Once installation and connections are complete, your outdoor kitchen is ready to enjoy.

BEFORE INSTALLATION

Firm, level base · Access for transport and a crane
Electricity · Water and drainage · Gas, if your configuration requires it

Connections must be carried out by qualified professionals. We confirm the requirements and scope of service with you.

10-year limited structural warranty for residential use, subject to conditions. Ask our team for full coverage details.

YOUR NEXT GREAT GATHERING STARTS HERE

Let's talk about your garden.

Send photos, measurements and your location.
We'll help you choose your BBQ Pod.
